“BIG IDEAS NEED A CUSTOM CANVAS”

Carus is a designer brand for commercial tufted carpets. Therefore, we strongly believe in the freedom of custom design. And we take that freedom literally. We go beyond dreaming and make it possible to bring your ideas to life. But, there's no achievement without inspiration. With this brochure we want to inspire you by showing you some great examples of carpet designs where technicality and colour blend great together.

Carus ist eine Designermarke für gewerbliche Tuftingteppiche. Daher glauben wir fest an Gestaltungsfreiheit. Diese Freiheit fassen wir wörtlich auf. Wir verlassen die Traumwelt und lassen Sie Ihre Ideen zum Leben erwecken. Errungenschaften bedürfen jedoch der Inspiration. Mit dieser Broschüre möchten wir Sie inspirieren, indem wir einige großartige Beispiele von Teppichdesign zeigen, die Technik und Farbe harmonisch vereinen.

Carus est une marque de moquettes touffetées à usage commercial. Nous sommes donc de farouches adeptes de designs personnalisés faisant la part belle à la liberté. Une liberté que nous voulons totale. Nous allons au-delà des rêves, nous concrétisons vos idées. Mais sans inspiration, pas de concrétisation. C'est pourquoi nous voulons vous inspirer, en vous présentant, dans cette brochure, quelques exemples de magnifiques motifs qui allient à la perfection technicité et couleur.

“DESIGN WITH DOTS”

Dots can make interior spaces appear both cheerful and smart. Creating a pattern with polka dots is quite easy but you can also make a more complex design by varying sizes and distances.

Punkte können Innenräume heiter und smart erscheinen lassen. Ein Tupfenmuster ist einfach gemacht, doch Sie können es auch komplexer gestalten mit variierenden Größen und Abständen.

Les pois donnent de la gaieté et de l'élégance aux espaces intérieurs. Créer un motif à pois n'est pas compliqué, mais rien n'empêche d'imaginer un motif plus complexe en variant les tailles et les espaces.
