# “BIG IDEAS NEED A CUSTOM CANVAS”

---

Carus is a designer brand for commercial tufted carpets. Therefore, we strongly believe in the freedom of custom design. And we take that freedom literally. We go beyond dreaming and make it possible to bring your ideas to life.

But, there's no achievement without inspiration. That's why we want to inspire you with this brochure by showing you some of the unlimited possibilities of creative patterns inspired by the reflections of nature. Enjoy!

Carus ist eine Designer-Marke für kommerzielle Tufting-Teppiche. Wir glauben somit stark an die Freiheit von kundenspezifischen Designs. Und diese Freiheit nehmen wir wortwörtlich. Wir gehen über das Träumen hinaus und ermöglichen es Ihnen, Ihre eigenen Ideen zum Leben zu erwecken. Aber ohne Inspiration gibt es keinen Erfolg. Deshalb wollen wir Sie mit dieser Broschüre inspirieren, indem wir Ihnen einige der unzähligen Möglichkeiten an kreativen Mustern aufzeigen. Genießen Sie unsere 'schwarzen Trends'.

Carus est une marque de moquettes touffetées à usage commercial. Nous sommes de farouches adeptes de designs personnalisés faisant la part belle à la liberté. Une liberté que nous voulons totale. Nous allons au-delà des rêves, nous concrétisons vos idées. Mais sans inspiration, pas de concrétisation. C'est pourquoi nous voulons vous inspirer, en vous présentant dans cette brochure quelques-unes des possibilités de motifs dotés d'un soupçon de noir. Des possibilités infinies... Goûtez à nos 'mélanges de noir'.

# “SLATE REFLECTIONS”

---

For those who want to stay in one shade of colour, but look for nuances at the same time, slate can be the perfect inspiration. A natural stone, never dull, always unique.

Slate has a natural elegance and offers power and dynamism. Bring all the character of a time-worn stone into your projects.

# “FLORAL REFLECTIONS”

There’s more to florals than meets the eye - whether it’s a vintage or modern setting, floral carpets can be surprisingly diverse. They give character to your spaces. Incorporating the right floral patterns into your decor is not always easy.

But, with a well thought out design, you are sure to brighten the mood of your hospitality projects!

# “MINERAL REFLECTIONS”

The use of crystals and minerals in interiors is a rising trend. These beautiful materials come in a variety of rich colour tones, rough shapes and intriguing patterns. So you can easily find inspiration for your interior design.

The organic look and feel adds a touch of sophistication and freshness. This results in modern surfaces with a contemporary flair.
